EARLY POWER REQUEST FORM

The undersigned requests a temporary electrical release from **GULF POWER COMPANY**.

Building Permit Number: _____

Address: _____

INSPECTION MUST BE REQUESTED & ITEMS CHECKED MUST BE WIRED COMPLETELY

I understand that this early electrical release is subject to the following conditions:

1. The undersigned contractor and/or property owner shall appear and defend all actions against the City arising out of the exercise of said release and shall indemnify and save the City of Destin; it's officers, employees and agents; harmless and free of all claims, demands, actions or cause of action of every kind and description arising out of or in any way connected with the exercise of said release of power.
2. I certify the use of electric on this project is for construction only and I will prohibit any person from violating this agreement by occupancy.
3. I certify that I will maintain all early power in a safe manner until the Certificate of Occupancy/Completion is issued. I will lock off access to uncompleted areas and/or lock off service to areas where exposed wiring has not been completed.
4. Foundation survey and flood compliance certification papers must be submitted, where applicable, in order to obtain temporary release of power.
5. An early power release will be given to the contractor and/or owner for the period of time needed to complete the construction. **I understand violation of this agreement will justify immediate shut off of power.**
6. I further understand violation of this agreement will prohibit me from applying for early power for a period not less than two years from date of violation.
7. At the time of inspection, the address must be posted **on the structure** with Arabic numerals not less than three inches in height and one-half inch in width.

At the sole discretion of the building official or his designee for the City of Destin, the power will be shut off immediately if owner or tenant occupies the building without a valid Certificate of Occupancy/Completion first being issued or if the permit becomes null and void.

I agree to the above conditions:
