LAND DEVELOPMENT CODE TEXT AMENDMENT

The regulations, restrictions, and zoning district boundaries set forth in the Destin Land Development Code (LDC) may be amended, supplemented, or changed. Proposed changes may be suggested by the City Council, the City Manager or designee, by a single property owner, or by petition of the owners of 51 percent or more of an area involved in the proposed change. Applications for an LDC Text Amendment shall be submitted to the Community Development Department. The Community Development Department will then review and forward the application and a staff report with a recommendation for approval, approval with conditions, or denial to the Local Planning Agency (LPA) for its review. The LPA, after a public hearing and due public notice, will then forward its staff report and recommendation to the City Council for approval, approval with conditions, or denial. The City Council shall then approve, approve with conditions, or deny the application. If an application for an LDC Text Amendment is disapproved by the City Council, the applicant shall not reapply for the same LDC Text Amendment for a period of one (1) year from the date of disapproval by the City Council.

APPLICATION AND HEARING INFORMATION

A. Does Your Request Meet the Criteria for this Application?

As required by the Destin Comprehensive Plan and Land Development Code, certain criteria must be met in order to request a Land Development Code (LDC) Amendment. The proposed amendment must meet the following two criteria in order for the City to accept the application:

1. The City cannot approve an LDC Amendment application that would make the Land Development Code inconsistent with the adopted Comprehensive Plan.
2. The proposed LDC Amendment cannot involve the same property in which an application for an LDC Amendment has been denied within the past 12 months from the date of denial.

B. What Information Do I Need to Submit with My Application?

1. A complete LDC Amendment application and notarized Application Affidavit shall be submitted to the Community Development Department at the City Hall Annex, 4100 Indian Bayou Trail, Destin, Florida 32541.
2. Prior to submittal, a pre-application meeting with Planning Division staff must have been held.
3. Application Fee: \$1,200.00 – Ordinance Amendment Applications
4. A complete and notarized Agent Affidavit shall be submitted (if the applicant is not the owner). Agent Affidavit's must be provided from all owners of the subject property.
5. Additional information may be required, such as sketches, graphic representations, models, etc. to help convey the intended result of the LDC Amendment.

C. Hearing and Application Submittal

1. The Local Planning Agency (LPA) meets third Thursday of each month at 5:30 pm in the City Hall Boardroom, 4200 Indian Bayou Trail, Destin, Florida 32541.
2. Application submittal deadlines are the third Thursday of each month, 30 days prior to the desired meeting date. Submittal by this deadline does not guarantee placement on a specific meeting date.

D. Preparing for Your Public Hearing

1. A public hearing before the LPA is required for any proposed amendments to the Destin Land Development Code. The LPA will forward proposed amendment to the City Council for a first reading public hearing with a recommendation of approval or denial. The City Council must adopt the amendment by ordinance at a second reading.

2. You will be advised of the date and time of the all hearings by mail. If City Council denies the amendment, then you have thirty (30) days to file an appeal with Circuit Court of Okaloosa County.
3. You must appear at the public hearings or be represented by an authorized agent or attorney in order for action to take place on your application. Any representative you designate must have completed an Agent Affidavit form, which is provided with the amendment application. If the owner or representative fails to appear at the hearing(s), without first providing a written notice to the City, the application will be tabled until the next available hearing date. A fee will be assessed for tabling the item at any hearing.
4. It is your responsibility to fully research and know any and all laws that may be applicable and affect the outcome of any decision on your application request. The City assumes no responsibility or liability relating to your failure to research and know all applicable laws including, but not limited to state, federal, and city laws including the city code, land development regulations, and the comprehensive plan. The City recommends that all applicants consider consulting an attorney regarding their application. Furthermore, you are encouraged to review, or copy, the Quasi-Judicial rules and procedures used by the Local Planning Agency prior to the public hearing.
