December 11, 2007

Order No. 08-06

Final Development Order:

**“THE SHORE AT CRYSTAL BEACH”
A MINOR DEVELOPMENT
(SP-07-13)**

Based upon the City's approval and issuance of this Development Order, on December 11, 2007, this document will serve as your Final Development Order, and includes all of the provisions and conditions in the attached Technical Review Committee Report.

BACKGROUND / ISSUE:

Applicant: Hatch Mott MacDonald, on behalf of The City of Destin is requesting approval of “The Shore at Crystal Beach,” a Minor Development.

Request: The proposed development consists of a 2,244 S.F. public beach pavilion with restroom facilities.

Location: The proposed development is located at 2966 Scenic Highway 98 in Destin of Okaloosa County, Florida, more specifically identified with the following Tax Parcel I.D. Number: 00-2S-22-0584-0000-0010.

Parcel Size: The current site area is .51 acres, more or less.

Future Land Use: Recreational (REC)

Zoning District: Recreational (REC)

Density: Allowed: N/A

Proposed: N/A

Intensity: Allowed: N/A

Proposed: N/A

Application Date: March 29, 2007

TRC Date: April 18, 2007

Approved Site Plan Date: October 26, 2007

DETERMINATIONS:

1. All the findings of the Technical Review Committee report dated December 11, 2007 are incorporated herein.

CONDITIONS OF APPROVAL FOR “THE SHORE AT CRYSTAL BEACH” A MINOR DEVELOPMENT (SP-07-13):

1. Pursuant to the City of Destin Land Development Code:

Construction of infrastructure must commence within one (1) year of approval date (date from which the Final Development Order is issued by the Community Development Department) of the Final Development Order on December 11, 2007 (no later than December 11, 2008), and must be completed as shown on plans approved by the Technical Review Committee.

WARNING: If the applicant/owner has not obtained a building permit(s) for either the construction of infrastructure or construction of the entire project and that construction has not commenced within one (1) year of issuance of the final development order, the final development order will become null and void and the application for development order approval must be re-initiated. (Article 2, Section 2.21.00)

NOTE: Construction of infrastructure shall be defined as site work, grading, or other construction activity (not including clearing and grubbing or demolition of existing structures) related to installation of roadways, access drives, parking lots, underground utilities, stormwater or drainage facilities, or building foundations. (Article 2, Section 2.21.00)

NOTE: An applicant/owner who desires to extend the twelve (12) month (1 year) deadline for either the construction of infrastructure or construction of the entire project must submit a written request to the Community Development Department, no less than thirty (30) days prior to the expiration of the twelve (12) month deadline to obtain a building permit and commence construction of infrastructure or construction of the entire project. The applicant may receive only one extension, and such extension shall not exceed one year. The applicant /owner should review Article 2, Section 2.21.00, of the Destin Land Development Code for further explanation of the Development Order extension process.

2. If the applicant fully complies with the requirements of Condition No. 1 above, the concurrency capacity allocation status for "The Shore at Crystal Beach" will be protected. However, the protected concurrency status will be lost and the application for development order approval must be re-initiated if:
 - A. Construction permit(s) in association with construction of infrastructure or construction of the entire project are not obtained in accordance with Article 2, Section 2.10.00 of the Land Development Code to maintain concurrency, or
 - B. Construction activity ceases for a period of one (1) year after a building permit for construction of infrastructure or construction of the entire project has been issued so that concurrency is not maintained under Article 6 of the Destin Land Development Code.
3. The applicant must obtain City of Destin permits for the following activities on and off site (These may require appropriate bonding):
 - A. Disturbance of the City's right-of-way (Note: Applicant must obtain the proper ROW permit(s) from the Engineering Department prior to issuance of building permits, unless otherwise exempted by the City Engineer.)
 - B. Pavement cuts.
 - C. Construction of any kind.
 - D. Clearing, grubbing, or demolition.

- E. Paving, grading, drainage, sidewalks.
- F. Signage.
- G. Installation of utilities.
- H. Construction trailers.

4. **Conditions Per Community Development Department:** Refer to pages 12 thru 13 of the attached TRC Report dated December 11, 2007.
5. **Conditions Per Engineering Department:** Refer to page 13 thru 14 of the attached TRC report dated December 11, 2007.
6. **Conditions Per Destin Water Users, Inc.:** Refer to page 14 of the attached TRC Report dated December 11, 2007.

TECHNICAL REVIEW COMMITTEE REPORT

"THE SHORE AT CRYSTAL BEACH" A MINOR DEVELOPMENT (SP-07-13)

Based upon the City's approval and issuance of this Development Order, on December 11, 2007, this document will serve as your Final Development Order, and includes all of the provisions and conditions in the attached Technical Review Committee Report.

BACKGROUND / ISSUE:

Applicant: Hatch Mott MacDonald, on behalf of The City of Destin is requesting approval of "The Shore at Crystal Beach," a Minor Development.

Request: The proposed development consists of a 2,244 S.F. public beach pavilion with restroom facilities.

Location: The proposed development is located at 2966 Scenic Highway 98 in Destin of Okaloosa County, Florida, more specifically identified with the following Tax Parcel I.D. Number: 00-2S-22-0584-0000-0010.

Parcel Size: The current site area is .51 acres, more or less.

Future Land Use: Recreational (REC)

Zoning District: Recreational (REC)

Density: Allowed: N/A

Proposed: N/A

Intensity: Allowed: N/A

Proposed: N/A

Application Date: March 29, 2007

TRC Date: April 18, 2007

Approved Site Plan Date: October 26, 2007

DISCUSSION/FINDINGS:

Hatch Mott MacDonald, on behalf of The City of Destin is requesting approval of "The Shore at Crystal Beach," a Minor Development. The proposed development consists of public beach access park with 9 parking spaces and a 2,244 S.F. pavilion with restroom facilities. The proposed development is located at 2966 Scenic Highway 98 in Destin of Okaloosa County, Florida, more specifically identified with the following Tax Parcel I.D. Number: 00-2S-22-0584-0000-0010. The current site area is .51 acres, more or less.

The proposed request is consistent with the Comprehensive Plan and Land Development Code, which includes a technical and Concurrency Management review.

The Technical Review Committee (TRC) reviewed and approved the project with specific conditions as stated below.

COMPREHENSIVE PLAN/ZONING:

The property currently has a Future Land Use designation of Recreational (REC) and a Zoning designation of Recreational (REC). The proposed use is consistent with the Recreational (REC) Future Land Use designation and is a permitted principal use within the Recreational (REC) Zoning Districts.

LAND USE TRANSITION & SPECIAL DESIGN CRITERIA:

Comprehensive Plan: 2010 Policy 1-2.1.7 requires that *“All property designated for nonresidential use on the FLUM shall be developed and designed to ensure a smooth land use transition between the said nonresidentially designated property and any directly abutting low rise residential property, either existing or identified on the FLUM.”* The LDC requirements regulating “special design criteria” are *“...to establish design criteria to preserve, protect, and enhance the economic vitality and character of the City of Destin.”* This section also states, *“These standards and regulations are intended to promote and protect the desired character of the City, including promoting multimodal transportation opportunities, and that ensure compatibility with surrounding development.”* [LDC, §7.09.00].

Criteria for consideration to ensure smooth land use transition and special design include:

- Surrounding development
- Mechanical equipment
- Outdoor storage and display
- Solid waste collection areas
- Parking, loading, or accessway areas

Surrounding development:

The proposed development consists of a 2,244 S.F. public beach pavilion with restroom facilities. The following is a description of the surrounding area:

LOCATION RELATIVE TO SUBJECT SITE	FUTURE LAND USE	ZONING	EXISTING LAND USE
North	Crystal Beach Neighborhood (CBN) & Crystal Beach Resort (CBR)	Crystal Beach Neighborhood (CBN) & Crystal Beach Resort (CBR)	North: Multi-Family Residential & Single Family Residential
South	N/A	N/A	South: Gulf of Mexico
East	Crystal Beach Neighborhood (CBN) & Crystal Beach Resort (CBR)	Crystal Beach Neighborhood (CBN) & Crystal Beach Resort (CBR)	East: Single Family Residential
West	Crystal Beach Neighborhood (CBN) & Crystal Beach Resort (CBR)	Crystal Beach Neighborhood (CBN) & Crystal Beach Resort (CBR)	North: Multi-Family Residential

As described herein, the surrounding uses include the Gulf of Mexico, multi-family residential and single-family residential. The intensity and density of development is not applicable in the Land Development Code and in the Comprehensive Plan for this use.

Mechanical equipment:

Condition: Outdoor mechanical equipment, such as heating, air conditioning, and ventilation systems, must be placed on the roof, in the rear or to the side of the building, or otherwise visually screened. In no case shall mechanical equipment be located between the principal structure and the front property line facing a right-of-way. All mechanical equipment located on the roof shall not be visible from adjacent properties or rights-of-way from heights equal to or less than the equipment. All mechanical equipment located in the rear or to the side of the

building shall be enclosed by opaque fence, wall or hedge a minimum of six (6) feet in height or to the highest point of the equipment, whichever is lower. For air conditioning or other equipment requiring airflow, a lattice screen of at least 50 percent opacity shall be sufficient to meet this requirement.

Outdoor storage and display:

Not applicable.

Solid waste collection areas:

All non-construction related dumpsters, trashcans, and recycling bins are to be placed in solid waste collection areas or inside a building. Solid waste collection areas are to be set back a minimum of ten feet from any property line that abuts single-family, duplex or townhome uses.

Condition: All solid waste collection areas shall be enclosed by a 100 percent opaque fence, wall, or hedge that is a minimum of six feet in height. All enclosures shall have gates that are 100 percent opaque. These gates shall remain closed at all times except for when waste management services are collecting refuse from the site. If necessary, please post a sign on the gates requesting that these gates remain closed.

Parking, loading, or accessway areas (abutting residential uses):

Areas used or set aside for parking, loading, accessways or service and utility areas are separated by at least ten feet from the property line abutting single-family residential homes except where it currently exists at the northwest area of the lot.

The site plan for “The Shore at Crystal Beach” complies with the City of Destin Comprehensive Plan Policy 1-2.1.7 and the Land Development Code §7.09.00.

Any additional revisions to the site plan must be reviewed and approved by the appropriate Technical Review Committee members and may be subject to further analysis if required pursuant to provisions of the Comprehensive Plan [Policy 1-2.1.7] and Land Development Code [LDC, §7.09].

MASSING (WIDTH AND DEPTH) AND HEIGHT:

The proposed development consists of a 2,244 S.F. public beach pavilion with restroom facilities. The proposed building measures approximately 18.0 feet wide by 26.0 feet deep. This proposed building is one story with a proposed building height of approximately 12.88 feet measured to the cornice line.

DENSITY:

Not applicable.

INTENSITY:

Not applicable.

SETBACKS AND BUFFERS:

The proposed development meets all of the required setbacks for the REC Zoning Districts.

	<u>Required</u>	<u>Buffers</u>	<u>Provided</u>
Front (North):	0'	10' FP	approx. 116.6' including 10' FP
Side (West):	0'	0' CB	approx. 5'
Side (East):	0'	5' CB	approx. 5' including 5' CB
Rear (South):	0'	0' CB	approx. 264.6
Between Bldgs.:	10'	N/A	N/A (all buildings structurally connected)

Note: 10' FP = 10' Front Perimeter Landscaped Area, 10' VB = 10' Vegetative Buffer Zone and 5' CB = 5' Common Boundary Landscaped Area. The following buffers are required: a ten-foot front perimeter landscaped area along the northern property line and five-foot common buffer along the eastern property line.

CONCURRENCY MANAGEMENT:

Concurrency requirements have been met:

- Solid Waste: **X**
- Potable Water: **X**
- Sanitary Sewer: **X**
- Traffic: **X**
- Stormwater Management: **X**

TRAFFIC ANALYSIS:

According to the traffic review conducted by the City's Transportation Consultant, and approved on October 15, 2007, the proposed development will not degrade the level of service of those major transportation facilities in the City of Destin (urban collectors and arterials).

Traffic concurrency is satisfied for this project, as confirmed by the City's Transportation Consultant.

SUBDIVISION OR PUD - PLAT:

Not applicable.

AIRPORT PROTECTION:

As proposed, this project is not affected by nor affects the Destin – Ft. Walton Beach Airport. The applicant has indicated on the development order application that the proposed project is not within the Airport Expansion Area. NOTE: If construction necessitates the use of a crane, or other obstruction, which exceeds Federal Aviation Administration FAR 77 Standards (normally 200 feet above ground level), the applicant must request a variance from the FAA for temporary encroachment into this restrictive area and a copy of a completed FAA Form 7460, must be placed on file with the City of Destin prior to the crane, or other obstruction, penetrating the restricted airspace.

WHITE SANDS ZONE:

The proposed project is located within White Sands Zone I. All fill material will have to comply with the White Sands Ordinance for this area.

SIGNS:

No overall sign approval is part of this application. All future signs must comply with the applicable section of the Destin Land Development Code in effect at the time a sign application is submitted.

UTILITIES:

All proposed utilities are required to be placed underground.

COX COMMUNICATIONS:

Cox Communications approved the project in a letter dated April 19, 2007.

DESTIN FIRE CONTROL DISTRICT:

The Destin Fire Control District approved the project in a letter dated April 18, 2007.

GULF POWER:

Gulf Power approved the project in a letter dated April 13, 2007.

OKALOOSA GAS:

Okaloosa Gas did not provide a letter. Therefore, they approved the project by default.

EMBARQ:

Embarq Corporation approved the project in a letter dated April 5, 2007.

WATER/SEWER PROVIDER:

Destin Water Users, Inc. approved the project in a letter dated October 25, 2007, and had the following conditions:

1. **Condition:** All revisions to the water and/or sewer utilities of any previously approved project must be re-approved by Destin Water Users, Inc. in writing at least 24 hours prior to implementation.
2. **Condition:** Field verified and scaled "as-built" plans including all utility infrastructures must be submitted to the City of Destin and forwarded to Destin Water Users, Inc. for final inspection by Destin Water Users, Inc. A written approval shall then be submitted to the City of Destin prior to issuance of Certificate of Occupancy by the City of Destin if there are no outstanding issues.

ENGINEERING:

The City of Destin Engineering Department approved the project in a memo dated September 26, 2007, and had the following conditions:

1. **Prior to the issuance of any City permits,** obtain a City of Destin Right-of-Way Construction Permit from the City Engineering Department.

2. **Condition:** Landscaping adjacent to the right-of-way (ROW) shall conform to the location requirements outlined in the Land Development Code, Article 8.
3. **Condition:** Refer to LDC Article 8.01.00.B.2. Screening vegetation shall not be placed within five feet and maintain a minimum foliage clearance of three feet from any utility structure(s) including but not limited to water meters, valves, electrical/communication panels or poles, and shall not be placed around any water hydrant that could be used for fire protection.
4. **Condition:** Refer to LDC Article 8.01.00.C Sidewalks, recreational trails, and bicycle ways shall be permissible in ROW's:
 - a. Landscaping located on abutting properties to sidewalks, recreational trails, and bicycle ways shall not create a safety hazard, and shall be trimmed or pruned to allow full width plus one foot on each side of the sidewalks, recreational trails, and bicycle ways, and the minimum vertical height of ten feet above grade, is clear.
 - b. Trees or shrubs shall not be planted within five feet from all streets or sidewalks, recreational trails, and bicycle ways.
5. **Condition:** Contractor shall not be allowed to utilize **ANY** public rights-of-ways for any loading/unloading, staging or storage of construction materials, equipment or vehicles or unauthorized construction. Failure to comply with this requirement may void your city right-of-way construction permit until the violation is corrected.
6. **Condition:** Refer to LDC Article 8.03.06. Clear visibility triangle. In order to provide a clear view of intersecting streets to motorist, there shall be a triangular area of clear visibility formed by two intersecting streets.

STORMWATER:

The City approved the stormwater management plan on October 15, 2007, and had the following **stormwater** related condition:

1. **Condition:** Prior to obtaining a Certificate of Occupancy, the Stormwater Operation/Maintenance Plan (SWOMP) shall be acknowledged and signed by the Owner.
2. **Condition:** Prior to obtaining any City permit, a copy of the FDEP stormwater and a NPDES Stormwater Construction Generic Permit (if applicable) approval shall be forwarded to the City Engineer's office.
3. **Condition:** Prior to obtaining any City permit, an original signed and sealed Stormwater Concurrency Evaluation Certificate shall be completed by the Engineer of Record.
4. **Condition:** If groundwater is observed standing in the storm structures, the SWMP shall be considered in non-compliance and a revised stormwater plan shall be resubmitted for review and approval.
5. **Condition:** Please abide by the general guidelines set forth in the FDEP's "Florida Development Manual: A Guide to Sound Land and Water Management," particularly those guidelines set forth for the construction and maintenance of exfiltration trenches.

INGRESS/EGRESS:

There is one proposed ingress/egress accessway attributed to this development. This accessway adjoins Scenic Highway 98. The accessway is a two-way accessway measuring approximately 24.2 feet in width.

PARKING:

The project meets or exceeds the parking requirements of the Destin Land Development Code as indicated on the approved plans.

Per code:

Public Park: 1 handicap space per park.

Per site plan:

Public Park: 1 handicap space and 8 regular spaces

Total Parking Required: 1 handicap parking space

Parking Provided: 9 spaces including 1 handicap space

LOADING SPACE (ZONE):

Not applicable.

REFUSE COLLECTION:

Solid waste from this beach access facility will be contained within four trash cans that will be emptied daily, or as necessary, by the City of Destin. No new trash activities will occur in the vicinity of this beach access facility.

SIDEWALKS:

The existing 5-foot wide sidewalk is required remain and be repaired to same or better condition along Scenic Highway 98.

OPEN SPACE/LANDSCAPE:

Open Space Requirements:

Development Area (Total Area): 22,216 sq. ft. (.51 acres, more or less)

Required 25% Open Space: 5,554 sq. ft.

Provided Open Space: 15,849 sq. ft (71.3%)

Landscape Requirements:

Tree Requirements:

Credits for Existing Trees (2" to 6" diameter) on Site (0 trees x 2 credits per tree):	0
Credits for Existing Trees (7" to 12" diameter) on Site (0 trees x 3 credits per tree):	0
Credits for Existing Trees (13" to 19" diameter) on Site (0 trees x 4 credits per tree):	0

Credits for Existing Trees (20" or 24" diameter) on Site (0 trees x 5 credits per tree):	0
Total Reforestation Credits for Existing, Protected, or Preserved Trees:	<u><u>0</u></u>
Reforestation Trees (1 per every .10 of an acre: .51 x 10 = 5.1 Required on Site):	<u>5</u>
Total Reforestation Credits:	<u>0</u>
Total Reforestation Trees Required on Site:	<u><u>5</u></u>
Total Reforestation Trees (1 per every .10 of an acre minus credits) Required on Site:	5
Replacement Trees (removal of trees over 12" d.b.h.) Required on Site:	0
Front Perimeter Trees (1 per 25') Required on Site:	3
Parking Lot Trees (1 per end row and landscape island). Required on Site:	2
	(One tree is a FPLA tree)
TOTAL TREES REQUIRED:	<u>9</u>
TOTAL TREES PROVIDED:	<u><u>9</u></u>

Trees shall be a minimum of ten (10) feet in height and have a two and one-half (2½) caliper at the time of planting. Trees having an average mature spread of crown less than 20 feet shall be arranged in groupings so as to create the equivalent of a 20-foot crown spread. Shrubs must be a minimum of twelve (12) inches in height when measured immediately after planting. **WARNING: A Certificate of Occupancy will not be issued until the required landscape material per the approved landscape plan has been inspected and approved by the Community Development Department.**

IMPACT FEES:

Not Applicable. Pursuant to article 19.01.01.D, 19.02.01.D, 19.03.01.D and 19.04.01.D of the Land Development Code impact fees shall not apply to development for which the City of Destin is the applicant.

OTHER FEES:

The fees listed below are subject to change and are based on the most recent information available (December 11, 2007). The fees must be paid by the applicant as part of the cost recovery associated with the proposed project:

City Compatibility Consultant:	N/A
City Surveyor:	N/A
City Traffic Consultant:	\$284.99
City Stormwater Review Consultant:	N/A
Re-Review Fees (Community Dev.)	N/A
Re-Review Fees (Engineering)	N/A
Administrative Costs:	N/A
City Council Advertising:	N/A
TOTAL (as of 11/30/07) =	\$284.99

COMMENTS/CONDITIONS:

Public Input:

No public comments have been presented to staff at the time of this report.

Per Community Development Department:

1. **Prior to the issuance of any City Permit**, all outstanding costs associated with this project that are owed to the City must be paid in full.
2. **Prior to the issuance of any City permit**, a copy of the FDEP stormwater and a NPDES Stormwater Construction Generic Permit (if applicable) approval shall be forwarded to the City Engineer's office.
3. **Prior to the issuance of any City permit**, an original signed and sealed Stormwater Concurrency Evaluation Certificate shall be completed by the Engineer of Record.
4. **Prior to the issuance of a Certificate of Occupancy**, assigned address numbers for principal buildings shall be displayed and clearly visible and legible, preferably reflective, from the street or private way on which the building fronts. *Ref. LDC Section 7.18.04.*
5. **Prior to the issuance of a Certificate of Occupancy**, the landscaping and outdoor lighting, if installed, must be inspected and approved by the Community Development Department. The lighting plan which shall be submitted prior to the issuance of any city permit, must provide specifications for the proposed outdoor lighting, including photometrics. All lighting must be shielded downward and away from adjacent properties in order to avoid spill-over and illumination into the night sky.
6. **Prior to the issuance of a Certificate of Occupancy**, all required parking and related landscaping shall be installed, inspected, and approved by the Community Development Department.
7. **Prior to the issuance of a Certificate of Occupancy**, the Stormwater Operation/Maintenance Plan (SWOMP) shall be acknowledged and signed by the Owner.
8. **Condition:** Outdoor mechanical equipment, such as heating, air conditioning, and ventilation systems, must be placed on the roof, in the rear or to the side of the building, or otherwise visually screened. In no case shall mechanical equipment be located between the principal structure and the front property line or any property line facing a right-of-way. All mechanical equipment located on the roof shall not be visible from adjacent properties or rights-of-way from heights equal to or less than the equipment. All mechanical equipment located in the rear or to the side of the building shall be enclosed by opaque fence, wall or hedge a minimum of six (6) feet in height or to the highest point of the equipment, whichever is lower. For air conditioning or other equipment requiring airflow, a lattice screen of at least 50 percent opacity shall be sufficient to meet this requirement.
9. **Condition:** All solid waste collection areas shall be enclosed by a 100 percent opaque fence, wall, or hedge that is a minimum of six feet in height. All enclosures shall have gates that are 100 percent opaque. These gates shall remain closed at all times except for when waste management services are collecting refuse from the site. *Ref. LDC Section 7.09.02.B.3.*
10. **Condition:** All wheel stops adjacent to sidewalks and walls shall be installed at least 30 inches from the adjacent sidewalk. *Ref. LDC Section 8.06.11.B.*

11. **Condition:** Curb ramps shall be provided at locations where a sidewalk intersects a curb.
12. **Condition:** Curb ramps shall be provided at all locations where an ADA-accessible route or access aisle intersects a curb.
13. **Condition:** Each handicap accessible parking space must be posted with a permanent above-grade sign bearing the international symbol of accessibility and the caption "PARKING BY DISABLED PERMIT ONLY." Such sign must also indicate the penalty for illegal use of the space. **This penalty shall be a minimum \$250 fine.**
14. **Condition:** A visual screen of vegetation running the entire length of the eastern property lines shall be installed within a five-foot side yard landscaped strip. Such vegetation shall provide a minimum of 50 percent opacity for that area between the finished grade level at the common boundary line and six feet above said level and horizontally along the length of all common boundaries within three years of planting. *Ref. LDC Section 12.04.04.B.1.b.*
15. **Condition:** The slab for all structures shall be constructed a minimum of 12 inches above the crown of the nearest street, except where topography will provide adequate drainage as certified by a professional engineer registered in the State of Florida. *Ref. LDC Section 10.03.02.A.5.*
16. **Condition:** All existing and proposed utility lines on the subject property shall be located underground. *Ref. LDC Section 20.12.00.*
17. **Condition:** If groundwater is observed standing in the storm structures, the SWMP shall be considered in non-compliance and a revised stormwater plan shall be resubmitted for review and approval.
18. **Condition:** Please abide by the general guidelines set forth in the FDEP's "Florida Development Manual: A Guide to Sound Land and Water Management," particularly those guidelines set forth for the construction and maintenance of exfiltration trenches.
19. **Condition:** Any additional revisions to the site plan must be reviewed and approved by the appropriate Technical Review Committee members.

Per City of Destin Engineering Department:

20. **Prior to the issuance of any City permits,** obtain a City of Destin Right-of-Way Construction Permit from the City Engineering Department.
21. **Condition:** Landscaping adjacent to the right-of-way (ROW) shall conform to the location requirements outlined in the Land Development Code, Article 8.
22. **Condition:** Refer to LDC Article 8.01.00.B.2. Screening vegetation shall not be placed within five feet and maintain a minimum foliage clearance of three feet from any utility structure(s) including but not limited to water meters, valves, electrical/communication panels or poles, and shall not be placed around any water hydrant that could be used for fire protection.
23. **Condition:** Contractor shall not be allowed to utilize ANY public rights-of-ways for any loading/unloading, staging or storage of construction materials, equipment or vehicles or unauthorized construction. Failure to comply with this requirement may void your city right-of-way construction permit until the violation is corrected.

24. **Condition:** Refer to LDC Article 8.03.06. Clear visibility triangle. In order to provide a clear view of intersecting streets to motorist, there shall be a triangular area of clear visibility formed by two intersecting streets.
25. **Condition:** Refer to LDC Article 8.01.00.C Sidewalks, recreational trails, and bicycle ways shall be permissible in ROW's:
- a. Landscaping located on abutting properties to sidewalks, recreational trails, and bicycle ways shall not create a safety hazard, and shall be trimmed or pruned to allow full width plus one foot on each side of the sidewalks, recreational trails, and bicycle ways, and the minimum vertical height of ten feet above grade, is clear.
 - b. Trees or shrubs, shall not be planted within five feet from all streets or sidewalks, recreational trails, and bicycle ways.

Per Destin Water Users, Inc.:

26. **Condition:** All revisions to the water and/or sewer utilities of any previously approved project must be re-approved by Destin Water Users, Inc. in writing at least 24 hours prior to implementation.
27. **Condition:** Field verified and scaled "as-built" plans including all utility infrastructures must be submitted to the City of Destin and forwarded to Destin Water Users, Inc. for final inspection by Destin Water Users, Inc. A written approval shall then be submitted to the City of Destin prior to issuance of Certificate of Occupancy by the City of Destin if there are no outstanding issues.
