March 29, 2013

Order No. 13-06

Final Development Order:

**“SCALLYWAG’S PUB & GRUB”
A MINOR TIER 1 DEVELOPMENT
(13-06-SP)**

Based upon the City's approval and issuance of this Development Order on March 29, 2013, this document will serve as your Final Development Order, and includes all of the provisions and conditions in the attached Technical Review Committee Report.

Wayne Lung is requesting approval of a Minor Tier 1 Development identified as “Sallywag’s Pub & Grub”. The proposed development consists of a 9,217 sq. ft. bar and restaurant. The proposed project is located at 105 Calhoun Avenue also identified by the Okaloosa County Property Appraiser as Parcel No. 00-2S-22-0630-0000-1211 and Parcel No. 00-2S-22-0630-0000-1210. The overall property contains 2.133 acres, more or less.

DETERMINATIONS:

1. This final development order is in accordance with the approved construction documents, which is inclusive of the site plan, drainage plan, landscape plan, outdoor lighting plan, architectural plans, etc., and dated approved March 20, 2013.
2. All the findings of the Technical Review Committee report dated March 20, 2013 are incorporated herein.

CONDITIONS OF APPROVAL:

1. Pursuant to the City of Destin Land Development Code:

Construction of infrastructure must commence within one (1) year of approval date (date from which the Final Development Order is issued by the Community Development Department) of the Final Development Order on **March 29, 2013** (no later than **March 29, 2014**), and must be completed as shown on plans approved by the Technical Review Committee.

WARNING: If the applicant/owner has not obtained a building permit(s) for either the construction of infrastructure or construction of the entire project and that construction has not commenced within one (1) year of issuance of the final development order, the final development order will become null and void and the application for development order approval must be re-initiated (Article 2, Section 2.21.00).

NOTE: Construction of infrastructure shall be defined as site work, grading, or other construction activity (not including clearing and grubbing or demolition of existing structures) related to installation of roadways, access drives, parking lots, underground utilities, stormwater or drainage facilities, or building foundations (Article 2, Section 2.21.00).

NOTE: An applicant/owner who desires to extend the twelve (12) month (1 year) deadline for either the construction of infrastructure or construction of the entire project must submit a written request to the Community Development Department, no less than thirty (30) days prior to the expiration of the twelve (12) month deadline to obtain a building permit and commence construction of infrastructure or construction of the entire project. The applicant may receive only one extension, and such extension shall not exceed one year. The applicant /owner should review Article 2, Section 2.21.00, of the Destin Land Development Code for further explanation of the Development Order extension process.

1. If the applicant fully complies with the requirements of Condition No. 1 above, the concurrency capacity allocation status for “Sallywag’s Pub & Grub” will be protected. **However, the protected concurrency status will be lost and the application for development order approval must be re-initiated if:**
 - A. Construction permit(s) in association with construction of infrastructure or construction of the entire project are not obtained in accordance with Article 2, Section 2.10.00 of the Land Development Code to maintain concurrency, or**
 - B. Construction activity ceases for a period of one (1) year after a building permit for construction of infrastructure or construction of the entire project has been issued so that concurrency is not maintained under Article 6 of the Destin Land Development Code.**
2. The applicant must obtain City of Destin permits for the following activities on and off site (These may require appropriate bonding):
 - A. Disturbance of the City's right-of-way (Note: Applicant must obtain the proper ROW permit(s) from the Public Services Department prior to issuance of building permits, unless otherwise exempted by the Public Services Director).
 - B. Pavement cuts.
 - C. Construction of any kind.
 - D. Clearing, grubbing, or demolition.
 - E. Paving, grading, drainage, sidewalks.
 - F. Signage.
 - G. Installation of utilities.
 - H. Construction trailers.
5. The following items must be addressed in the appropriate order:
 - A. Prior to the issuance of the Final Development Order**, all outstanding costs associated with this project and are owed to the City must be paid in full.
 - B. Prior to the issuance of any City Permit**, a sign must be posted on the subject property notifying the public of the emergency contact information of the person responsible for the project. Refer to section 7.01.02(B) of the Land Development Code for details on the size, location and contents of the sign. Additionally, a posting of emergency contact information sign affidavit must be submitted to the Planning Division prior to the issuance of any permits.

- C. **Prior to the issuance of any City Permit**, obtain a City of Destin Right-of-Way Construction Permit from the Public Services Department.
- D. **Prior to the issuance of any City Permit**, obtain a Florida Department of Environmental Protection (FDEP) National Pollution Discharge Elimination System (NPDES) permit and submit a copy to the Public Services Department.
- E. **Prior to the issuance of any City Permit**, a copy of the Northwest Florida Water Management District (NFWFMD) storm water permit and a storm water construction generic Permit (if applicable) approval shall be provided to the Planning Division.
- F. **Prior to the issuance of a Certificate of Occupancy**, all applicable impact fees and other outstanding costs associated with this project that are owed to the City must be paid in full.
- G. **Prior to the issuance of a Certificate of Occupancy**, the site work, landscaping, outdoor lighting and architectural design must be inspected and approved by the Community Development Department.
- H. **Prior to the issuance of a Certificate of Occupancy**, a Stormwater Operation/Maintenance Plan (SWOMP) approved by the City shall be acknowledged and signed by the Owner.
- I. **Prior to the issuance of a Certificate of Occupancy**, assigned address numbers for principal buildings shall be displayed and clearly visible and legible, preferably reflective, from the street or private way on which the building fronts. *Ref. LDC Section 7.18.04.*

Additionally, the owner must comply with all of the comments, notes and conditions of the Technical Review Committee members as stated on pages 4 through 25 of the attached TRC Report dated March 20, 2013.

TECHNICAL REVIEW COMMITTEE REPORT

“SCALLYWAG’S PUB & GRUB” A MINOR TIER 1 DEVELOPMENT

(13-06-SP)

TRC Report: March 20, 2013

ISSUE:

Applicant: Wayne Lung is requesting approval of a Minor Tier 1 Development identified as “Sallywag’s Pub & Grub”.

Request: The request involves constructing a 9,217 sq. ft. bar and restaurant.

Location: The proposed project is located at 105 Calhoun Avenue also identified by the Okaloosa County Property Appraiser as Parcel No. 00-2S-22-0630-0000-1211 and Parcel No. 00-2S-22-0630-0000-1210.

Parcel Size: The overall property contains 2.133 acres, more or less.

Future Land Use: Calhoun Mixed Use (CMU)

Zoning District: Calhoun Mixed Use (CMU)

Density: Allowed: N/A

Proposed: N/A

Intensity: Allowed: 0.50

Proposed: 0.099

Application Date: November 8, 2012

TRT Date: N/A

Approved Site Plan Date: March 20, 2013

DISCUSSION/FINDINGS:

The proposed request as presented and described is consistent with Comprehensive Plan: 2010 and Land Development Code, which include a Concurrency Management review, and a Level of Service review. This project is located within the Town Center or the Harbor Community Redevelopment Areas, but is not located within the Crystal Beach sub-area of the Multimodal Transportation District. The Technical Review Team (TRT) reviewed and approved the project with specific conditions as stated below.

COMPREHENSIVE PLAN/ZONING:

This application was reviewed pursuant to the City of Destin’s Comprehensive Plan: 2010 and Land Development Code (LDC). The property currently has a Future Land Use designation of Calhoun Mixed Use (CMU) and a Zoning designation of Calhoun Mixed Use (CMU). The proposed land use is consistent with the intent of the CMU Future Land Use designation as an acceptable land use pursuant to Comprehensive Plan: 2010. The CMU zoning district specifically allows for the described uses (bar and restaurant).

CONCURRENCY MANAGEMENT:

Staff has received approved Concurrency Evaluation Certificates (CEC) for the following areas:

Traffic: The City's Transportation Consultant signed the CEC on February 13, 2013.

Solid Waste: Okaloosa County Solid Waste Department signed the CEC on January 28, 2013.

Potable Water: Destin Water Users, Inc. signed the CEC on December 3, 2012.

Sanitary Sewer: Destin Water Users, Inc. signed the CEC on December 3, 2012.

Stormwater Management: The City's Stormwater Manager signed the CEC on February 12, 2013.

TRANSPORTATION ANALYSIS:

According to the transportation/traffic concurrency review conducted by the City's Transportation Manager, currently represented by Renaissance Planning Group (RPG), Inc., and approved on February 11, 2013, the proposed development will not degrade the level of service of those major transportation modes and facilities in the City of Destin and complies with the goals, objectives, and policies of the multimodal transportation district as found in the City's Comprehensive Plan: 2010.

SIDEWALKS/PEDESTRIAN CONNECTIVITY:

A new 5' sidewalk connection is proposed to provide direct pedestrian connection from the development site to the existing sidewalk directly in front of the subject property.

SUBDIVISION OR PUD – PLAT:

The proposed project does not include a subdivision or PUD - plat.

RIGHT-OF-WAY DEDICATION:

The proposed project does not include any right-of-way dedication.

PHASING:

A phasing plan was submitted for review as part of this application.

ADDRESSING:

The following condition shall apply:

1. **Prior to the issuance of a Certificate of Occupancy**, assigned address number for the principal building shall be displayed and clearly visible and legible, preferably reflective, from the street or private way on which the building fronts. *Ref. LDC Section 7.18.04.*

AIRPORT PROTECTION:

As proposed, this project is not affected by nor affects the Destin – Ft. Walton Beach Airport. The applicant has indicated on the development order application that the proposed project is not within the Airport Expansion Area. NOTE: If construction necessitates the use of a crane, or other obstruction, which exceeds Federal Aviation Administration FAR 77 Standards (normally 200 feet above ground level), the applicant must request a variance from the FAA for temporary encroachment into this

restrictive area and a copy of a completed FAA Form 7460, must be placed on file with the City of Destin prior to the crane, or other obstruction, penetrating the restricted airspace.

DENSITY:

The proposed project does not include any dwelling units, so density is not applicable.

INTENSITY:

This project has a Calhoun Mixed Use (CMU) FLUM designation, which allows for a maximum Floor Area Ratio (FAR) of 0.50 for a Tier 1 development. The proposed FAR for this project is 0.099 which is below the maximum allowed for a Tier 1 development in the CMU designation. The project FAR was calculated as follows:

$$\text{Total sq. ft. of proposed building} / \text{sq. ft. of subject parcel} = \text{FAR}$$

$$9,217 \text{ sq. ft.} / 92,917.43 \text{ sq. ft.} = 0.099 \text{ FAR}$$

HEIGHT:

The Calhoun Mixed Use (CMU) Zoning District is the applicable zoning district to help determine height limitations for this development. The proposed one-story buildings are 20' in height from the average grade of the site to the cornice line of the building per the City adopted Comprehensive Plan: 2010 height definition.

SETBACKS:

All of the proposed buildings meet and exceed all of the required setbacks and buffers for the Calhoun Mixed Use (CMU) Zoning District: (Note: Distances provided are from the proposed buildings to the nearest property lines)

<u>Setbacks</u>	<u>Required</u>	<u>Buffers</u>	<u>Provided</u>
Front:	10'	N/A	368'
Side:	0'	N/A	5'
Rear:	50'	N/A	50'

The following condition applies to this project:

1. Outdoor mechanical equipment, such as heating, air conditioning, and ventilation systems, must be placed on the roof, in the rear or to the side of the building, or otherwise visually screened. In no case shall mechanical equipment be located between the principal structure and the front property line or any property line facing a right-of-way. All mechanical equipment located on the roof shall not be visible from adjacent properties or rights-of-way from heights equal to or less than the equipment. All mechanical equipment located in the rear or to the side of the building shall be enclosed by opaque fence, wall or hedge a minimum of six feet in height or to the highest point of the equipment, whichever is lower. For air conditioning or other equipment requiring airflow, a lattice screen of at least 50 percent opacity shall be sufficient to meet this requirement. *Ref. LDC Section 7.09.02(B)(1).*

SIGNS:

No approved signage plan or design was requested as part of this application. The following condition applies to this project:

Signage, if installed, must be reviewed and approved by the Community Development Department. Signage requires the issuance of a City building permit, unless otherwise stated by staff. All signage shall meet the requirements set forth in Article 16 of the City's Land Development Code

UTILITIES:

The following condition applies to this project:

1. All new development projects shall be required to place all existing and proposed utility lines located on the subject property, regardless of who the utilities serve, underground. *Ref. LDC Section 20.12.00.*

OUTDOOR LIGHTING:

The outdoor lighting plan for this project has been approved. All lighting must be shielded downward and away from adjacent properties in order to avoid spill-over and illumination into the night sky.

COASTAL MANAGEMENT AND CONSERVATION:

The proposed project is located in Flood Zone "AE-8" which is a Special Flood Hazard Area (SFHA). The phase I building 4,043 S.F. building which will be renovated for this project has a Finished Floor Elevation (F.F.E.) of 7.84' which is below the base flood elevation of 8'. As such, the **improvements to the phase I building may not exceed 50% of the building value** or the building must be raised to a F.F.E. of 9'.

WHITE SANDS ZONE:

The subject property is located in the White Sand Zone II. All fill material used for the project must first be submitted to the City's Environmental Officer for approval prior to use.

STORMWATER MANAGEMENT:

The City approved the stormwater management plan on December 18, 2012, and had the following stormwater related notes and conditions:

1. **Note:** The Engineer of Record is cautioned to review the construction documents as submitted to assure thorough information is provided to allow proper construction. All stormwater management facilities shall be required to be constructed per the Codes of the City of Destin.
2. **Condition:** If groundwater is observed standing in the storm structures, the SWOMP shall be considered in non-compliance and a revised stormwater plan shall be resubmitted for approval.
3. **Condition:** Prior to obtaining any City Permit, a copy of the Northwest Florida Water Management District (NFWFMD) storm water permit and a storm water construction generic Permit (if applicable) approval shall be provided to the Planning Division.

4. **Condition:** Prior to the issuance of a Certificate of Occupancy, a Stormwater Operation/Maintenance Plan (SWOMP) approved by the City shall be acknowledged and signed by the Owner.

INGRESS/EGRESS:

Ingress and egress to the project is provided via a two-way driveway.

REFUSE COLLECTION:

The following condition shall apply:

1. **Condition:** All solid waste collection areas shall be enclosed by a 100 percent opaque fence, wall, or hedge that is a minimum of six feet in height. All enclosures shall have gates that are 100 percent opaque. Ref. LDC Section 7.09.02(B)(3).

PARKING:

The parking provided complies with Land Development Code Section 8.06.00. *Vehicle and bicycle parking standards*, as indicated on the approved plans.

<u>PARKING REQUIREMENTS</u>				
Type of Use:	Parking standard:	Sq. ft. of Use:		Total
Restaurant:	1 / 100 sq. ft.	9,543		96
10% Reduction for Protected Tree Preservation				-9
10% Reduction for Bike Parking				-9
			Total vehicle spaces required:	78
			Total vehicle spaces provided:	81
Handicap Spaces Required/Provided = 4				
Minimum Bicycle Parking			Total bicycle spaces required	8
10% of total vehicle spaces (81 x .10)			Total bicycle spaces provided	9

LOADING SPACE (ZONE):

The project meets or exceeds the loading space requirements of Section 8.08.05 *On-site loading standards* of the Destin Land Development Code as indicated on the approved plans and as follows:

TOTAL REQUIRED/PROVIDED: 1

OPEN SPACE/LANDSCAPE:

The project meets or exceeds the landscape requirements of the Destin Land Development Code as indicated on the approved plans and as follows:

Open Space Requirements:

Site Development Area (Total Area): 92,917.43 sq. ft (2.133 acres, more or less)
 Total Required Open Space: 25.0% (23,229 sq. ft.)
 Total Provided Open Space: 58.6% (56,478 sq. ft.)

Tree Requirements:

Credits for Existing Trees (2" to 6" diameter) on Site (2 trees x 2 credits per tree):	4
Credits for Existing Trees (7" to 12" diameter) on Site (22 trees x 3 credits per tree):	66
Credits for Existing Trees (13" to 19" diameter) on Site (13 trees x 4 credits per tree):	52
Credits for Existing Trees (20" to 24" diameter) on Site (9 trees x 5 credits per tree):	45
Total Reforestation Credits for saving Existing, Protected, or Preserved Trees:	<u>167</u>
Reforestation Trees Required on Site: (1 per every .10 of an acre 2.133 x 10 = 22)	22
Total Reforestation Credits for trees on Site	<u>167</u>
Total Reforestation Trees Required on Site: (1 per every .10 of an acre minus credits)	<u>0</u>

Note: Per the Land Development Code, credit shall be received on the reforestation requirement of this section by preserving existing trees. Trees required for reforestation are in addition to other required trees within Article 12, Section 12.04.04.C.

Total Reforestation Trees Required on Site:	0
Front Perimeter Trees (1 per 25') Required on Site:	0
Parking Lot Trees (1 per end row and landscape island) Required on Site:	14
Vegetative Buffer Trees, if applicable, (1 per 25') Required on Site:	0
Replacement Trees (removal of trees 12" d.b.h. or greater) Required on Site:	<u>0</u>
TOTAL TREES REQUIRED:	14
TOTAL TREES PROVIDED:	28

8 Front Perimeter trees would have been required, however for projects located in the Old Destin Subarea of the Multimodal Transportation District (MMTD) 4 shrubs must be installed for every front perimeter tree. This requirement (8 x 4) means that this project is required to install 32 shrubs.

Unless otherwise noted, all required trees must be a minimum of twelve (12) feet high at time of planting and reach a crown of twenty (20) feet at maturity. If the twenty (20) foot crown requirement is not met, additional trees shall be added and grouped together to meet the twenty (20) foot crown. If shrubs are used in the required buffer areas, one-third shall be a minimum of thirty-six (36) inches in height time of planting; one-third shall be a minimum of eighteen (18) inches in height when measured immediately after planting; and one-third shall be round cover plantings of a one-gallon size. **WARNING: A Certificate of Occupancy will not be issued until the required landscape material per the approved landscape plan has been inspected and approved by the Community Development Department.**

IMPACT FEES:

The following impact fee amounts may be subject to change. Final impact fee amounts will be determinant upon the gross floor area of the overall development land use and whether exemption or credits are applicable and reevaluated at the time a Certificate of Occupancy is requested. **Any claims for exemption or credits must be made no later than the time a Certificate of Occupancy is requested. Refer to Article 19 of the Destin Land Development Code for specifics regarding impact fees.** The owner/applicant must pay the final impact fee amounts prior to the issuance of a Certificate of Occupancy:

Parks: Not applicable.

Public Library: Not applicable.

Police Protection: The police protection impact fees were calculated using the following rates and fees.

Retail/Commercial:

Impact Fee Rate = \$31.00 per 1,000 sq. ft.

Proposed Building Size: 9,217 square feet

Impact Fee for Building Size = 9,217 sq. ft. x \$31/1,000 = **\$285.73**

Total Police Protection Impact Fees to be paid: **\$285.73**

Transportation: The transportation impact fees were calculated using the following rates and fees.

Restaurant:

Impact Fee Rate = \$4,464.00 per 1,000 sq. ft.

Proposed Building Size: 9,217 square feet

Impact Fee for Building Size = 9,217 sq. ft. x \$4,464/1,000 = **\$41,144.69**

Total Transportation Protection Impact Fees to be paid: **\$41,144.69**

Total Impact Fees to be paid: \$41,430.42

MULTIMODAL TRANSPORTATION MITIGATION FEES:

The minimum required Multimodal Transportation Concurrency score for this Tier 1 project located in the Old Destin Sub-area is 347 points. The applicant scored a total of 228 points on the MMTD concurrency evaluation certificate. There by falling short of the minimum required total for approval by 119 points. Multimodal transportation mitigation fees are calculated at \$1,000.00 per point. The total multimodal transportation mitigation fee for this project is **\$119,000.00. Prior to the issuance of the Certificate of Occupancy, the multimodal transportation mitigation fee shall be paid in full.**

OTHER FEES:

The fees listed below are subject to change and are based on the most recent information available. The fees must be paid by the applicant as part of the cost recovery associated with the proposed project:

Application Fee:	\$1,143.30 (pd.)
City Surveyor:	N/A
City Traffic Consultant:	\$450.00 (pd.)
City Traffic Consultant:	\$126.30

Re-Review Fees (Community Dev.):	\$288.40 (pd.)
Administrative:	\$50.00 (pd.)
Surrounding Property Notification:	\$54.55 (pd.)
City Council Advertising:	N/A
TOTAL (as of 03/20/13)	\$126.30 due

STATE/FEDERAL PERMITS REQUIRED BEFORE ISSUANCE OF BUILDING PERMIT:

The following state permits are required prior to the issuance of any city permit:

1. **Prior to the issuance of any City Permit**, obtain a Florida Department of Environmental Protection (FDEP) National Pollution Discharge Elimination System (NPDES) permit and submit a copy to the Public Services Department.
2. **Prior to the issuance of any City Permit**, a copy of the Northwest Florida Water Management District (NFWFMD) storm water permit and a storm water construction generic Permit (if applicable) approval shall be provided to the Planning Division.

PUBLIC INPUT:

No input from the general public was received by staff concerning this application.

TECHNICAL REVIEW COMMITTEE MEMBER COMMENTS, NOTES AND CONDITIONS:

DESTIN FIRE CONTROL DISTRICT:

The Destin Fire Control District approved the project with conditions in a letter dated February 13, 2013. Please refer to **Exhibit "A"** for a copy of the approval letter.

DESTIN WATER USERS:

Destin Water Users approved the project with conditions in a letter dated December 3, 2012. Please refer to **Exhibit "B"** for a copy of the approval letter.

CENTURY LINK:

Century Link approved the project with conditions in a letter dated February 12, 2013. Please refer to **Exhibit "C"** for a copy of the approval letter.

COX COMMUNICATIONS:

Cox Communications stated it had no objections to the project, but had concerns, in a letter dated November 28, 2012. Please refer to **Exhibit “D”** for a copy of the approval letter.

GULF POWER:

Gulf Power stated it had no objections to the project in a letter dated November 26, 2012. Please refer to **Exhibit “E”** for a copy of the approval letter.

OKALOOSA GAS:

Okaloosa Gas stated it had no objections to the project in a letter dated November 16, 2012. Please refer to **Exhibit “F”** for a copy of the approval letter.

WASTE MANAGEMENT:

Waste Management stated it had no concerns nor objections to the project in a letter dated February 13, 2013. Please refer to **Exhibit “G”** for a copy of the approval letter.

BUILDING DIVISION:

The Building Division of the Community Development Department approved the project in a memo dated November 26, 2012. Please refer to **Exhibit “H”** for a copy of the approval memo.

PLANNING DIVISION:

The Planning Division of the Community Development Department approved the project with conditions in a letter dated March 20, 2013. Please refer to **Exhibit “I”** for a copy of the approval letter.

STORMWATER MANAGEMENT:

The stormwater management plan was found acceptable and approved with conditions on February 12, 2013. Please refer to **Exhibit “J”** for a copy of the stormwater related notes and conditions.

PUBLIC SERVICES DEPARTMENT:

The Public Services Department approved the project with conditions on March 14, 2013. Please refer to **Exhibit “K”** for a copy of the Public Services Department conditions.

Re: 13-06-SP, Scallywag's Pub and Grub, 105 Calhoun Ave, a Minor Tier 1 Development

The following criteria must be met for any multi-family or commercial building.

1. A 4' x 8' x 3/4" plywood terminal board, painted with fire-retardant paint, must be securely attached to the wall for mounting of telephone hardware (if inside terminal room is applicable) and dedicated to Centurylink.
2. Two-inch PVC entrance conduit will be run from the property corner or utility easement into the mechanical room with no more than one 90 degree sweep. If an inside terminal room is not applicable the conduit will be turned up outside the building at the location of the telephone terminal. Size and location of either inside or outside terminal will be determined by a Centurylink Corporation representative (Keith Nance, 850-664-3751).
3. Access to the power ground (MGN) within 5 feet of our terminal must be provided; alternatively, a No. 6 insulated copper ground wire from the MGN will be provided at the telephone terminal location.
4. Conduit and equipment room, if applicable, must be completed 60 days prior to Certificate of Occupancy date.

If you should require any additional information, please contact Keith Nance at 850-664-3751.

Sincerely,

A handwritten signature in black ink that reads "K. Nance".

Re: 13-06-SP Scallywag's Pub & Grub
105 Calhoun Ave

Cox Communications has no objections to this development. Any relocations, adjustments or reroutes to Cox owned facilities is the responsibility of the owner/developer to notify Cox. Reimbursement of material and labor may apply.

Please contact myself prior to construction. To ensure access to the building for cable, Cox digital telephone, and high speed internet it is important that we meet prior to construction and conduit placement.

Sincerely,

A Technical Review of the project plans submitted has resulted in no comments.

NOTE: A preliminary review of the architectural plans show that the current proposed restrooms will support an occupancy load of 200 persons for a tavern.

Please note the following is required prior to actual construction:

- 1) Proper permitting must be applied for and approved prior to any work being performed on mentioned property, i.e.; demolition, site work, new construction, etc.
- 2) 2 full sets of signed and sealed construction plans, specifications and related documents (site plan) as required by the Florida Building Code Chapter 1 must be submitted to and be reviewed by the Building Division prior to issuance of a permit.
- 3) Plans shall be based on the following codes:
 - 2010 FLORIDA BUILDING CODE
 - 2010 FLORIDA FIRE PREVENTION CODE
 - 2008 NATIONAL ELECTRICAL CODE
 - The following minimum information will be required on construction drawings Informational Page that apply.
 1. Construction Type
 2. Occupancy Classification
 3. Occupancy Load
 4. Mean Roof Height and Pitch
 5. Building Area
 6. Area Modification
 7. Fire Protection – Sprinkled/non-Sprinkled
 8. Ultimate Wind Speed, Risk Category, Wind Exposure
 9. Internal Pressure Coefficient
 10. Design Load Bearing Value of Soils
- 4) Destin Fire Control District approval letter based on Final Construction Documents prior to permitting.

Full permit application packages are available online at www.cityofdestin.com.

Mr. Edwin L. Stanford, PE
CORE Engineering & Consulting, Inc.
3997 Commons Drive West, Suite F
Destin, Florida 32541-8444

**SUBJECT: 3rd Review of Scallywag's Pub & Grub, 105 Calhoun Avenue,
City Project Number 13-06-SP, a Minor Tier 1 Development**

Dear Mr. Stanford:

The Development Order resubmittal package you submitted was received on March 12, 2013 and deemed complete on March 12, 2013. Staff forwarded the submittal package to the Technical Review Team members on March 12, 2013 and asked that they provide their comments back to the Planning Division before or on March 12, 2013. The following **TRT comments** are provided for your review and comment. Please ensure you read the comments and **bolded notes** listed below.

Process Timeline:

- Applicant's original submittal date: November 8, 2012
- Completeness review date: November 13, 2012
- Staff's first submittal review comments date: December 3, 2012
- Applicant's second submittal target date: February 3, 2013
- Applicant's second submittal date: January 31, 2013
- Applicant's second submittal completeness review date: February 4, 2013
- Staff's second submittal review comments date: February 13, 2013
- Applicant's third submittal target date: April 12, 2013
 - o Note: Land Development Code requires resubmittal within 60 days.
 - o Note: The applicant may request ONE 15-day extension to the 60 day resubmittal deadline.
- Applicant's third submittal date: March 12, 2013
- Applicant's third submittal completeness review date: March 12, 2013
- Staff's third submittal review comments date: March 20, 2013

A. Planning Division Comments: Approved, please refer to the comments listed below. To discuss these comments or conditions, please contact at 850-837-4242, extension 3130.

1. **Prior to the issuance of the Final Development Order**, all outstanding costs associated with this project that are owed to the City must be paid in full.
2. **Prior to the issuance of any City Permit**, a sign must be posted on the subject property notifying the public of the emergency contact information of the person responsible for the project. Refer to section 7.01.02(B) of the Land Development Code for details on the size, location and contents of the sign.

3. **Condition:** Outdoor mechanical equipment, such as heating, air conditioning, and ventilation systems, must be placed on the roof, in the rear or to the side of the building, or otherwise visually screened. In no case shall mechanical equipment be located between the principal structure and the front property line or any property line facing a right-of-way. All mechanical equipment located on the roof shall not be visible from adjacent properties or rights-of-way from heights equal to or less than the equipment. All mechanical equipment located in the rear or to the side of the building shall be enclosed by opaque fence, wall or hedge a minimum of six feet in height or to the highest point of the equipment, whichever is lower. For air conditioning or other equipment requiring airflow, a lattice screen of at least 50 percent opacity shall be sufficient to meet this requirement. *Ref. LDC Section 7.09.02(B)(1).*
4. **Prior to the issuance of a Certificate of Occupancy**, all applicable impact fees must be paid.
5. **Prior to the issuance of a Certificate of Occupancy**, the landscaping and outdoor lighting, if installed, must be inspected and approved by the Community Development Department.
6. **Condition:** All solid waste collection areas shall be enclosed by a 100 percent opaque fence, wall, or hedge that is a minimum of six feet in height. All enclosures shall have gates that are 100 percent opaque. Please indicate this requirement on sheet 4 of 11 of the Site Construction Plans and state that the project will expect dumpster service. *Ref. LDC Section 7.09.02(B)(3).*
7. **Condition:** Signage, if installed, must be approved by the Community Development Department. All signage shall require the issuance of city permit. All signage shall meet the requirements set forth in Article 16 of the City's Land Development Code.
8. **Condition:** **Prior to Certificate of Occupancy**, assigned address numbers for principal buildings shall be displayed and clearly visible and legible, preferably reflective, from the street or private way
9. **Condition:** The slab for all structures shall be constructed a minimum of 12 inches above the crown of the nearest street, except where topography will provide adequate drainage as certified by a professional engineer registered in the State of Florida. *Ref. LDC Section 10.03.02(A)(5).*
10. **Condition:** All new development projects that include erecting a new building and/or structure shall be required to place all existing and proposed utility lines located on the subject property, regardless of who the utilities serve, underground. *Ref. LDC Section 20.12.00.*

- B. Transportation Comments: Approved.** Please refer to the attached memo dated February 11, 2013. To discuss transportation related comments, please contact Mr. Nick Lepp of RPG at 813-254-7741.
- C. Stormwater Management Comments: Approved with Conditions.** Please refer to the attached memo dated February 12, 2013. To discuss stormwater related comments, please contact Mr. David Forstrom, Stormwater Management Specialist, at 850-837-4242 ext. 3130.
- D. Public Services Department Comments: Approved with Conditions.** Please refer to the attached memo dated March 14, 2013. To discuss public services related comments, please contact Mr. Joe Bodi at 850-837-4242, extension 3186.
- E. Building Division Comments: Approved with conditions.** Please refer to the attached comments dated November 26, 2012. To discuss building related comments or conditions, please contact Ms. Noell Bell at 850-837-4242, extension 3134.
- F. Impact fees will be assessed on this project and will be indicated in the TRT Report. Impact fee amounts are found in Land Development Code, Article 19.**

FINAL SUBMITTAL:

With the approval of your Development Order application, please submit to the Planning Division: **7 sets of full-size plans (24" x 36")**. Each set of plans must be signed, sealed and dated by the design professional. The five sets of plans will be stamped approved and signed by a Planning official. The first set is for the owner. Sets two and three are for the Building Division; one for their files and the other set to be issued to the contractor when permits are issued. Sets four and five are for the City of Destin's Planning Division and Public Services Department.

If you have questions or need additional information, please feel free to contact me at (850) 337-3130.

Sincerely,

David M. Forstrom, CFM
Planner & Stormwater/Floodplain Manager

MEMORANDUM

DATE: February 12, 2013
TO: Larry Beat, Administrative Assistant
FROM: David M. Forstrom, Planner & Stormwater/Floodplain Manager 
SUBJECT: 13-06-SP, Scallywag's Pub & Grub, a Minor Tier 1 Development, 105 Calhoun Avenue

TRT Second Submittal Stormwater Review Comments

A second submittal was received on January 31, 2013 from CORE Engineering & Consulting, Inc. The Stormwater Management Plan (SWMP) and the construction drawings are remain approved with the following conditions as noted:

1. **Note:** The Engineer of Record is cautioned to review the construction documents as submitted to assure thorough information is provided to allow proper construction. All stormwater management facilities shall be required to be constructed per the Codes of the City of Destin.
2. **Condition:** If groundwater is observed standing in the storm structures, the SWOMP shall be considered in non-compliance and a revised stormwater plan shall be resubmitted for approval.
3. **Condition:** Prior to obtaining any City permit, a copy of the Northwest Florida Water Management District (NFWFMD) stormwater permit and a National Pollution Discharge Elimination System (NPDES) stormwater construction generic Permit (if applicable) shall be provided.
4. **Condition:** Prior to obtaining a Certificate of Occupancy, a Stormwater Operation/Maintenance Plan (SWOMP) approved by the City shall be acknowledged and signed by the Owner.

If you have questions or need additional information, please contact my office.

OFFICE OF PUBLIC SERVICES **RECEIVED**MEMORANDUM

MAR 14 2013

March 14, 2013

TO: Administrative Assistant/Larry Beat
Planning Manager/David Forstrom

FROM: Engineering Assistant II/ Joseph D. Bodi

SUBJECT: 13 06 SP Scallywag's Pub & Grub, 105 Calhoun Avenue
Right of Way & Wetlands Impact Review ONLY

**COMMUNITY
DEVELOPMENT**

A submittal was received on March 13, 2013 and the right-of-way & wetlands areas only were reviewed. The **current submittal appears to meet the LDC.** There appear to be no impacts to the right-of-way or environmentally sensitive areas. The following standard conditions of the D.O.:

1. **Condition:** Prior to obtaining any City permits, obtain a Destin Right-of-Way Construction submit to the Public Services Department.
2. **Condition:** Prior to obtaining any City of Destin permits, obtain a FDEP NPDES permit and submit copy to the Public Services Director.
3. **Condition:** Refer to LDC Article 8, Transportation, - The developer/owner, engineer of record and the contractor shall make themselves familiar with these codes and comply with the codes prior to obtaining a Certificate of Occupancy.
4. **Condition:** Refer to LDC Article 11.09.00., Illicit Discharge - The developer/owner, engineer of record and the contractor shall make themselves familiar with these codes and comply with the codes prior to obtaining a Certificate of Occupancy.
