ZONING DISTRICT FACTSHEET

The purpose and intent of establishing zoning districts is to ensure that all development is consistent with the goals, objectives and policies of the Comprehensive Plan, by establishing a series of zoning districts that indicate what uses are allowed and site development regulations that control the use of land in each district. All development within each zoning district shall be consistent with the purposes stated for each district. (LDC 7.12.05)

CALHOUN MIXED USE (CMU)

Purpose and intent: The Calhoun Mixed Use zoning district shall apply to the area bound on the north by Clement Taylor Park, on the east by Calhoun Avenue, on the south by the north property line of parcel # 00-2S-22-0630-0000-11A2, and on the west by the Choctawhatchee Bay. The intent of this zoning district is to provide a mixed use transitional area between the higher intense south harbor mixed use zoning district and the lower intense zoning district of residential, office and institutional. This area shall be developed, redeveloped and/or maintained with permanent or seasonal single-family detached or multi-family attached residential dwelling units; commercial hotels, motels, bed and breakfast establishments, and other commercial transient living accommodations; and non-residential uses. Non-residential uses shall include neighborhood retail commercial goods and services not exceeding 5,500 square feet designed primarily to serve the needs of the adjacent "Old Destin" area, offices; water dependent activities, restaurants, and similar uses (refer to table 7-2). It is the intent of the CMU zoning district to specifically not allow each general retail commercial goods and services uses to exceed 5,500 heated and cooled square feet.
