**ZONING
 DISTRICT
 FACTSHEET**

The purpose and intent of establishing zoning districts is to ensure that all development is consistent with the goals, objectives and policies of the Comprehensive Plan, by establishing a series of zoning districts that indicate what uses are allowed and site development regulations that control the use of land in each district. All development within each zoning district shall be consistent with the purposes stated for each district. (LDC 7.12.05)

**RECREATION
 (REC)**

Purpose and intent: The Recreation zoning district is intended to apply only to publicly and privately owned property and facilities, with the intent of promoting natural resource enhancement and open spaces around buildings. It is the intent of the REC zoning district to specifically not allow permanent or seasonal residential uses and non-residential uses.
